Project Name	AI Powered Debt Relief & Financial Recovery Platform
Maximum Marks	5 Marks

Problem-Solution Fit Canvas:

Use the framework below to ensure your proposed solution accurately addresses the root causes, behaviors, and limitations of your target audience. Fill out the canvas in the respective boxes just like the original visual template.

1. CUSTOMER Overdue loan holders, borrowers in financial distress, individuals seeking debt settlement, financial counselors, debt relief agencies	5. AVAILABLE SOLUTIONS PROS & CONS [AS] • Debt settlement companies (Pros: Professional handling; Cons: Expensive fees 15-25%, slow process)	8. CHANNELS OF BEHAVIOR [CH] ONLINE: Google search for debt relief, YouTube financial advice videos, WhatsApp financial groups, banking apps • OFFLINE: Bank branch visits, financial counselor offices, peer consultation
---	--	---

2. PROBLEMS / PAINS

- Inability to negotiate fair settlement terms with lenders (Every Overdue Cycle) • Lack of knowledge about realistic settlement amounts (Constant) • No data-driven tools to prioritize which debt to resolve first (Every Month) • Stress and anxiety from mounting debt and collection pressure (Daily)

6. CUSTOMER LIMITATIONS [CL]

- Limited understanding of financial metrics (EMI ratio, DTI) • Cannot afford professional debt settlement services • Emotional stress reduces decision-making ability • No access to legal knowledge about consumer rights

9. PROBLEM ROOT CAUSE [RC]

Borrowers lack access to personalized financial analysis tools that calculate realistic settlement amounts, prioritize debts strategically, and generate professional negotiation correspondence — decisions are made emotionally rather than data-driven

3. TRIGGERS TO ACT

- Receiving collection notices or legal threats from lenders • EMI bounce or missed payment notification • Sudden income loss (job loss, medical emergency) • Hearing about settlement success stories from peers

7. BEHAVIOR + INTENSITY [BE]

- Ignores collection calls and avoids lender communication (High) • Borrows from one lender to pay another (Medium) • Searches online for "debt settlement tips" (Medium) • Discusses financial problems with family/friends (Low)

10. YOUR SOLUTION [SL]

FinRelief AI — An AI-powered web platform that analyzes a borrower's complete financial profile (income, expenses, loans, EMI, overdue history), calculates financial health scores, prioritizes debts by urgency, predicts optimal settlement amounts, and generates personalized negotiation letters using Google Gemini AI with automatic fallback to rule-based templates

4. EMOTIONS

Before: Overwhelmed, anxious, helpless, embarrassed → After: Empowered, informed, confident, relieved
